Over a century has passed since Alfred Jordan settled in the Winelands of the Western Cape and named his family home Bradgate. Today, Bradgate Wines are produced by the Jordan Family from classic varieties grown in the Stellenbosch region .

The Bradgate range combines the soft, accessible fruit of the New World with the elegance of Classic wine styles, ensuring well-structured wines with a complex concentration of fruit and flavour.

**about the harvest**: The grapes were harvested between 10th February 2004 and 11th March 2004 from East- and South-facing 176   22 year old vineyards, situated on red clay-loam granite soils.

**in the cellar** : The wine was tank-fermented using predominantly Vin7 and Vin13 yeast to accentuate the fruit and flavours typical of these varieties. Selected tanks received extended lees contact to add richness to the blend.
