in the vineyard : A selection of Pinot Noir and Chardonnay from our Robertson Estate Vineyard and hand selected parcels from other geographical areas of the Western Cape, which ensures continuity of this particular style of Cap Classique.

about the harvest: Both varietals are handpicked: Chardonnay at 18-19.5°B for fruit and elegance. Pinot Noir at 18.5-20°B for complexity and length of flavour and all base wines are produced in our specialist Méthode Cap Classique cellar in Robertson.

in the cellar : Chardonnay and Pinot Noir grapes are pressed separately in whole bunches to ensure top quality juice recovery. They are then blended to showcase the specific aroma profile of this MCC, then bottled and left for 12 months yeast contact time before disgorgement. A special selection of liquer d'expedition was added to produce this delectable sweeter style of Cap Classique.
