

Porterville Cellars Snake Bite

The drink with a ssserious bite

This potion is dedicated to one of our most fearsome predators, the puff adder. Perfectly camouflaged as it glides silently across the rocky terrain, its sudden hissing and puffing is enough to strike terror into the unwary intruder. Enjoy your Snake Bite - unlike a hit from a puff adder, it's sure to leave you hissing with pleasure.

Snake Bite CoolerShake 200ml Snake Bite with 200ml lemon lime soda. Add crushed ice and a slice of lemon - Enjoy !VenomMeasure 250ml Snake Bite into a brandy glass and add 250ml Amarula Cream. As it enters, the snake Bite will solidify into a glog! Antidote - flush down with neat Snake Bite.
