

## L Avenir Vin de Meurveur 2004

Light straw yellow colour with ripe apricot and quince on the nose. The palate is well balanced and full with marmalade flavours and a crisp acidity.

**variety :** Colombard | 100% Colombard

**winery :** LAvenir Vineyards

**winemaker :** Francois Naude

**wine of origin :** Coastal

**analysis :** alc : 13.1 % vol    rs : 77.2 g/l    pH : 3.72    ta : 7.7 g/l

**type :** White    **style :** Sweet

**pack :** Bottle

**in the vineyard :** Soil Type: Glenrosa

Irrigation: Dry Land

Age of Vines: 38 years

Yield: 3 T/Ha

**about the harvest:** Because of the warm dry summer we experienced in 2004, the incidence of Botrytis was very low. Although harvested at similar sugar levels than in the past, the resulting wine showed very little of the typical "noble rot" character and was therefore re-classified as "sweet natural." The grapes were harvested on 18 May 2004 at 30.5° Balling.
