

Rudera Robusto Chenin Blanc 2003

Green yellow colour. Bold bouquet of apricot, spice, tropical melon and some vanilla. The palate is rich and full of flavour with honeyed apricot indicating some botrytised fruit. Pears, pineapple and peaches. Good crisp acid balances the sweet fruit flavours. A taut yet big wine. Some smoky oak notes add complexity and structure. Lovely texture and length.

variety : Chenin Blanc | 100% Chenin Blanc

winery : Rudera Wines

winemaker : .

wine of origin : Stellenbosch

analysis : alc : 14.0 % vol rs : 17.8 g/l pH : 3.32 ta : 8.7 g/l

ageing :

Drinking exceptionally well now and will gain in intricacy over the next five years.

in the vineyard :

These Chenin blanc vineyards are situated on the foot of the Helderberg in Stellenbosch. The bush vines were planted on broken shale in 1979 and are fully mature. Canopy management of the vines ensured natural high acidity and full flavour concentration. No irrigation is available and the yield was 5,2 (24 hl/ha - only free-run juice used) tons per hectare.

about the harvest:

The grapes were handpicked in the early morning from old bush vines at 26.4° Balling. The yield was 5,2 (24 hl/ha - only free-run juice used) tons per hectare, with an acid of 9,6 g/l and a pH of 3,0. A total of 233x6x750ml was made.

in the cellar :

The grapes were lightly crushed and the free-run juice was allowed to settle for 48 hours. Natural yeast was used in making this wine. The clear juice with the fluffy lees was then fermented in 225-l (50% new and the rest 2nd and 3rd fill) French barriques.

Fermentation took place in a 14°C cellar, but actual fermentation temperatures were not monitored. Robusto Chenin blanc matured in barrel for eight months on the lees; thereafter it was racked, lightly filtered and bottled without being stabilized.
