

Twee Jonge Gezellen T.J. Light 2004

With emphasis on health aspects: grapes are harvested early in the season, before sugars are high, resulting in a light wine, low in alcohol and kilojoules, but with a fruity bouquet, the acidity well balanced and an unexpected complexity on the palate; off-dry.

Serve lightly chilled (± 6-8°C). Suitable for light lunches, business lunches, long lunches..., parties, breakfast parties, picnics... in other words, suitable for those who have seen the Light and care about their weigh of life.

variety : | Blend of fragrant French & German varieties

winery : Krone Cap Classique

winemaker : Nicky Krone
