

Waverley Hills Cabernet Sauvignon 2004

The beautiful maroon red colour promise the healthy wine lover a new experience. The complex aromas continue to surprise the consumer with black fruit, red roses and terroir driven proteas (indigenous flora) on the nose. The aroma of the wine is best described by the 'garrigue' character founded in the natural fynbos (Cape indigenous flora). The distinctive soft smooth entry of the wine is complemented with hot chocolate and liquorice on the aftertaste.

This wine is perfectly balanced to be enjoyed with light, fresh foods like pastas and salads or meat dishes.

in the vineyard : This was our Maiden Vintage. The grapes were very healthy and the hot summer resulted in fine grapes.

about the harvest: Full ripe grapes were handpicked and manually sorted in the vineyard before being gently de-stemmed and crushed. Then the grapes were delivered to KWV in Paarl and cooled overnight for processing the next morning.
