

Goudini Hanepoot 2002

Nose: Sultana and raisins, honey and moskonfyt. Unmistakably Muscat, with tertiary aromas of lemon peel and white nuts.

Palate: Very sweet. Pineapple and citrus peel, glace fruit, figs and rich fruitcake combine into a generous and complex aperitif. Rich and satisfying, with a long finish of honey and lemon acidity.

Best to enjoy on its own or with sweet desserts, with chocolate, over ice-cream or with a cheese platter.

variety : Muscat dAlexandrie | Hanepoot

winery : Goudini Wines

winemaker : Hennie Hugo

wine of origin : Rawsonville

analysis :

type : Dessert

ageing : This wine should improve for at least a decade, and reward the effort with even better complexity and character.
