type : Red

pack : Bottle

Michelangelo Awards 2005 - Silver Medal

in the cellar : The grapes are crushed and transferred to fermentation tanks where they are pumped over regularly to extract colour and tannin from the skins. After alcoholic fermentation the wine is racked and the skins are gently pressed. The tanks are inoculated with malolactic bacteria to complete the secondary fermentation. The wine spent some time on oak staves. (80% Hungarian; 20% French)
Bottling date: 13 May 2005
