analysis : alc : 13.64 % vol rs : 2.7 g/l pH : 3.44 ta : 5.8 g/l

type : Red **style :** Dry **wooded**

pack : Bottle

about the harvest: The grapes are from selected vineyards throughout the valley. This enables the winemaker to produce wine with exceptional flavours and drinkability.

in the cellar : Grapes are fermented on the skins under controlled temperatures. Yeast strains are selected to enhance the natural flavours of the grapes. Pumpovers took place every 4 hours. Wood chips were added after malolactic fermentation for more complexity.
