

## Louisvale Chavant 1994

**variety :** Chardonnay | 100% Chardonnay

**winery :** Louisvale Wines

**winemaker :** Marinus Bredell

**wine of origin :** Coastal

**analysis :** alc : 12.50 % vol   rs : 2.50 g/l   pH : 3.39   ta : 6.00 g/l

**type :** White

**pack :** Bottle

**in the cellar :** The 1994 vintage will certainly be remembered for its contrasts, where mother nature gave and took. The crop was much smaller but beneficially the fruit concentration were deep and powerful, resulting in a end product of finese, a good palatable acid, with assistance of just enough wood tannins for complexity. Bottle maturation will increase quality which makes this Chardonnay a true companion for many vintages to come.
