

Marianne Sauvignon Blanc 2005

Ripe, tropical fruit greets the nose with passion and guava to the fore. Floral hint in the background with just the lightest green pepper note. Lively in the mouth with lots of sweet-fruited flavours repeating what the nose promised. Great balance between acidity and ripe fruit. Lively, zesty, refreshing. Very easy drinking now as aperitif or with light food. Has potential to develop over another year or two yet so very attractive in the blush.
