Viljoensdrift Cabernet Sauvignon 2000

Blackberry bramble fruit characters are fleshed out with mulberry, but elegant restraint is present with tapered mineral tones. The oak is scented rather than sweet. The palate is packed with cassis fruit mineral flintiness and classy wood, all enveloped in sustaining supple tannin with attendant acid and Alchol. This wine achieved a silver medal at the National SA Young Wine Show.

variety : Cabernet Sauvignon | Cabernet Sauvignon
winery : Viljoensdrift Wines and Cruises
winemaker : Fred Viljoen
wine of origin : Breede River
analysis : **alc :** 13.0 % vol
