**analysis :** alc : 12.2 % vol   rs : 1.7 g/l   pH : 3.4   ta : 6.1 g/l

**type :** White

**pack :** Bottle

---

**in the cellar :** Just over two weeks elapsed between the first harvest of Chardonnay and the last. This was deliberately done to build complexity of flavours into the final product. Barrel fermentation, malolactic fermentation and a long period on the lees produced a stylish flavourful wine. This vintage also portray fine flavours of lemons, melons with fine oak and yeasty flavours.
