in the vineyard : Pinot Noir comes from our Firgrove Vineyards near False Bay - planted on decomposed granite. The Chardonnay was selected from Robertson with soils that have a high natural limestone content.

about the harvest: Both varietals are hand picked: Pinot Noir at 20Â° Balling for complexity and length of flavour. Chardonnay at 18 - 19.5Â° Balling for fruit and elegance.

in the cellar : Produced in the MÃ©thode Cap Classique Cellar, Robertson. A unique first for South Africa whereby both Pinot Noir and Chardonnay were pressed in the same press.

Fractional recovery from the whole bunches ensured that only the quality juice went into fermentation. After fermentation the wine was lightly fined and bottled for the secondary fermentation. A minimum lees contact time before disgorging of 30 months.
