analysis : alc : 13.5 % vol rs : 15.4 g/l pH : 3.44 ta : 5.72 g/l

type : Rose

pack : Bottle **closure :** Cork

ageing : Drink within two years.

in the vineyard : Although the region exhibits a variety of micro-climates, all of the growing areas within the appellation have cool night time temperatures that help to keep grape acids intact. The combination of soil diversity and variety of micro-climates enables our fruit to mature slowly for ideal aroma and flavour complexities in our wines. Each one of our vineyards offers distinctive flavours to the wine and every growing season is unique. Yet, the consistency and quality of our grapes is discernible in every vintage with a spellbinding spectrum of layered flavours.

in the cellar : 100 % Tank fermented.
