

## Raka Sauvignon Blanc 2006

---

**Appearance:** Pale straw colour

**Bouquet:** All the classic aromas and flavours of gooseberries, fresh tropical fruit and green peppers give the wine its youthful vibrance and fresh appeal.

**Palate:** Great harmony between the nose and palate, with lemony-fruit, green figs and a subtle flintiness on the palate.

Served well chilled, this wine is well suited to any seafood and cold meats. Also delightful on its own!

**about the harvest:** All grapes were hand picked.

**in the cellar :** The grapes were sorted twice before skin contact in the press. Pure yeast cultures were inoculated in the juice after pressing in order to optimize the fermentation process at around 16°C. No extended lees contact was allowed after fermentation and the wine was allowed to naturally clarify itself under gravity prior to filtering and bottling.
