

Arnim Sauvignon Rouge 2004

The blend is designed to entice ladies and gentlemen to enjoy a young red wine of high quality and good value. Although it is technically a red wine, it is a blend of Cabernet Sauvignon and Sauvignon Blanc, hence its name: Sauvignon Rouge.

The current blend has an increased amount of Cabernet Sauvignon which has added structure, yet its elegance ensures immediate enjoyment, especially when slightly chilled to 16° C. Arnim Sauvignon Rouge has the sophistication of a quality red, yet a satisfying and rewarding elegance, which young red wines sometimes lack. The berry fruit of the Cabernet Sauvignon leads and is well supported by the firm dryness of the Sauvignon Blanc.

The inherent characteristics of the cultivars of this blend create a dangerously enjoyable red wine to be enjoyed with pasta, game fish and red meat, due to its rewarding firm finish. Arnim Sauvignon Rouge has a classic packaging and distinguishes itself stylishly, at functions and private gatherings. The elegant fruit of the wine introduces first-time red wine drinkers to its versatility in accompanying food.
