

Weltevrede Poet's Prayer Chardonnay 2004

4½ stars John Platter Guide 2007

Available on allocation only.

This is an art wine. Only 300 bottles per vintage, from one barrel. Just as an artist has the freedom to express any inspiration in his work of art this wine will never be repeated. Every vintage will be different. Owning different vintages of this wine will be like owning a gallery of works of art of one artist, though each work unique.
