

## Middelvlei Cabernet Sauvignon 2005

Veritas 2007 - Bronze

2007 International Wine Challenge â€” Bronze Medal

The appearance is a deep ruby-red. On the nose youâ€™ll find intense dark cherry and blackberry flavours. The palate shows a medium-bodied wine, luscious fruit and subtle tannins with a lingering aftertaste.

**in the vineyard :** The grapes for this wine were derived from a four hectare vineyard, planted in 1990 at 3,704 vines per hectare, and at an altitude of 160m above sea level. The vines, planted on a west-facing slope, are trellised in order to keep the grapes cool and healthy.

The rainfall during the winter before the vintage, as well as the growing season (September â€” December) was less than average. The annual rainfall was 680mm for the 2003/2004 season compared to the long-term annual average of 700mm.

**about the harvest:** The harvest took place on 24 February 2005. The grapes were picked by hand - at an average sugar level of 24Â° Balling - and placed in small baskets to prevent bruising.

**in the cellar :** In the cellar, the juice was given eight daysâ€™ skin contact in open tanks. It was inoculated with yeast type WE 372 and left to ferment at 24Â°C. Secondary malolactic fermentation was completed on 21 April 2005. The wine was matured in French oak for 12 months.
