2007 International Wine Challenge â€” Silver Medal

ageing : Drink within 2 years of purchase.

in the vineyard : The vineyard locations seems tailor-made for flavourful grapes. The grapes grow in the Groenekloof, near Darling; this area yields wines with an intensity of flavour and crispness not found in some of the more inland regions.

in the cellar : Fermented at a low temperature in stainless steel tanks for approximately 16 days. Kept on fine lees for 2 months.
