

Laborie Cabernet Sauvignon 2006

This Cabernet Sauvignon is well rounded and rich, presenting aromas of berries, spices and subtle nuances of eucalyptus. The palate displays flavours of chocolate that are complimented by the generous and juicy texture of the wine.

Serve chilled on its own or with light fish and chicken dishes as well as salads.

in the vineyard : South Africa's vineyards are mostly situated in the Western Cape near the coast. This is the southernmost region of the African continent, and has a Mediterranean type climate and diverse soils perfectly suited to quality grape production.

Severe warm weather experienced during January resulted in a earlier than usual start to the harvest. These conditions lasted well into the second week of February and lead to rapidly rising sugar levels. From February 8 temperatures declined and subsequently the sugars dropped and harvesting of white and red grapes slowed considerably. Due to the cooler conditions sugar levels increased very slowly whilst grape flavours developed noticeably. The ripening conditions were close to perfect for the tail-end of the crop.

about the harvest: Harvesting took place from 22 January till 13 February.
