type : White **style** : Dry

pack : Bottle

ageing : Ready to be drunk now.

in the cellar : Blend of 50% Muscat d Alexandrie, 30% Chenin Blanc and 20% Semillon.

In the village of Freinet in France in the 18th Century, a fragrant wine was produced from grapes harvested in a warm summer of great promise. The fame of the fine vintage spread afar and, the legend goes, came to the knowledge of angels who visited the cellars of the village vineyards at night and tasted the wine. So entranced were they by its excellence that they wept tears of joy.
