

Fleur du Cap Cabernet Sauvignon 2006

The wine is intense ruby red in colour with an overlay of concentrated fruity aromas complemented by hints of vanilla. On the palate the wine shows ample prune and cherry flavours with a good tannin structure.

Ideal with game meat and birds. A perfect accompaniment to hearty stews, strong-flavoured herbs and cheeses.

in the vineyard : The continued success of the Fleur du Cap range of wines is the result of a team approach at The Bergkelder that starts with meticulous vineyard selection and is driven by an overriding passion for winemaking and constant experimentation to create a new generation of superior quality wines. The wines are shaped in perfect harmony with nature to capture the highly sought-after qualities of varietal character and terroir.

Terroir

Climate, soil, altitude and slope orientation are selected to capture as much varietal character as possible. The climate is mild with south and east facing slopes offering protection against late afternoon sun. Cooling breezes from the Atlantic Ocean ensure rich, slow growing crops. Soils are predominantly medium-textured and well drained with good water holding capacity.

The vineyards (Viticulturist: Bennie Liebenberg)

The grapes were selected from vineyards in the Stellenbosch area. The 16 year-old vines produced a yield of 6-8 tons/ha. The 5-wire hedge system was used for trellising and pest and disease control was implemented according to South African IPW standards.

about the harvest: The grapes were handpicked at 25° Balling during the middle of March.
