

Rozier Reef Chenin Blanc Chardonnay

This wine displays a wonderful honeyed, citrus nose that follows through onto the palate with ripe yellow melon fruit and a fresh "moreish" finish from the dollop of Chardonnay that invites the next sip!

Delicious with chargrilled vegetables, lightly smoked scallops, grilled shrimps or cold meats such as parma or serano ham.

in the vineyard : The most widely planted variety in South Africa (known locally as "Steen") Chenin Blanc is becoming the "flavour of the month" both locally and internationally as winemakers are making more interesting and complex wines with this variety. We added a tiny amount of Chardonnay to add a little more structure to this wine.

in the cellar : We believe that through our extensive selection and blending processes we have achieved a combination that delivers a fantastically vibrant, lively and refreshing glass of wine that simply is irresistible!
