

Rozier Reef Shiraz Pinotage

Bright red in colour, this wine leads into a pronounced rich and spicy palate with juicy blackberry and mocca flavours. The palate is deliciously smooth with ripe cassis fruit.

The ideal aperitif to be enjoyed with Italian antipasta or served with any pork dishes.

in the vineyard : Widely recognised as being a leading and defining light for the South African category, plantings of Shiraz have increased exponentially over the last five years whereas traditionally South Africa's red offering has been led by Pinotage - the country's second most planted varietal.

in the cellar : We believe that whilst a certain style of Pinotage can be produced as a single varietal offering and deliver an exceptional wine; it is as part of a Cape Blend such as this that we see the true character enhancement.
