ageing : Will drink well now until 2008.

in the vineyard : Fairview cellar - with its spectacular view of Table Mountain - lies on the south west slopes of Paarl at the Cape of Good Hope. Established more than 300 years ago, Fairview has been in my family for three generations. Our committed team carefully guide the wine from the vine to the bottle, capturing yet another perfect Cape summer.

Winemaker's Notes:
The 2006 vintage was a warm vintage yielding ripe full flavoured wines. Part of the fruit is grown at Fairview on the south western slopes of Paarl Mountain. The Fairview Shiraz vineyards are primarily on decomposed granite soils, and have drip irrigation. The other components of the blend are from dry land vineyards in Agter- Paarl on deep Malmesbury shale soils, as well as two sites in Stellenbosch.

about the harvest: Harvest Date: 2nd week of February 2006
Average yields of Shiraz are kept to below 7 tons/ha by vigorous green harvest.
