in the vineyard : Harvested from mature vineyards (9-23 years old) planted to selected Davis and Burgundian clones. The vineyards are situated on cooler south and east-facing slopes (250-310m above sea level). Vertical hedge trellising and low yields ensure a complex concentration of flavours. The vineyards are unirrigated.

about the harvest: The grapes were harvested between 18th February and 13th March 2008 at between 22.2 and 24.5°B.
