

Darling Cellars Black Granite Shiraz 2007

Another example of this fine varietal with a bit of a dry finish. A medium bodied wine displaying wild berries, and ripe plums on the nose. With a little time, it will develop into a lovely Darling Shiraz with opulent fruit and an integrated wood structure.

The recent demarcation of the Darling district has led to a focus at Darling Cellars on wines which are terroir and varietal specific. The cool and temperate West Coast climate lends itself to a different micro- and mesoclimate which, along with the different types of soil, lead to unique grapes, which we guide into even more unique wines. Having 99% of all vineyards dry land and almost the same percentage as bush vine, this is as close to what nature intended for grapes to be as one can get.

DC is a wine range of straight varietals where the focus is on fruit driven, varietal true, value for money wines.
