### in the vineyard :

The grapes were chosen from vineyards in Stellenbosch and Malmesbury. Drostdy-Hof Rosé is made from 100% Cabernet Sauvignon grapes.

**about the harvest**: The grapes were harvested at between 20° and 22° Balling during February and March.

**in the cellar** : The grapes were crushed and the juice separated from the skins in dejuicers and then cold settled overnight. After cold settling, the juice was inoculated with a pure yeast culture and fermented in stainless steel tanks at 15°C.
