

Beau Joubert Sauvignon Blanc 2007

This fruit driven dry white wine was made in the new world style combining crisp tropical fruit, balanced acid and soft mineral tones creating a wine which has a typical complex palate and a long lingering finish. This wine drinks extremely well now and will maintain its peak during the next two years if cellared correctly. This versatile wine is exquisite on its own or can be enjoyed with most dishes of your choice.

Drinks well now and will go well with fish and cheese.
