

Mulderbosch Chardonnay 2006

More powerful wood than previous vintages. The prominent aromas and flavours on the nose and palate are pear, citrus, almonds, green apple, litchi and melon. A crisp, fresh wine, yet balanced with primary Chardonnay fruit flavours.

Fresh tuna carpaccio; duck roasted with a ginger-citrus sauce; snails; roast lamb with rosemary; seafood pasta and smoked fish springrolls.

variety : Chardonnay | 100% Chardonnay

winery : Mulderbosch Vineyards

winemaker : Mike Dobrovic

wine of origin : Coastal

analysis : alc : 13.58 % vol rs : 4.8 g/l pH : 3.54 ta : 6.5 g/l so2 : 113 mg/l fso2 : 34 mg/l

ageing : This wine is drinking beautifully now, but has the ability to mature for another 4 to 7 years.

in the vineyard : Area: Stellenbosch

Soil Type: Tukulu, Glenrosa, Hutton, Decomposed Malmesbury Shale

Age of vines: 17 - 18 years

Trellising: Vertical trellis/3 cordon

Vine Density: ± 3 300 vines/ha

Yield: 7.5 tonnes per hectare

Irrigation: Yes, drip irrigation

about the harvest: Picking date: 15 - 22 February 2006

Grape Sugar: 22.5° B at harvest

Acidity: 7.7 g/l at harvest

pH: 3.4 at harvest

Grapes were picked in the Koelenhof area.

in the cellar : After harvest the grapes spent 2 hours on the skins, after which it was pressed to tank and cold settled overnight. 6% of the wine was fermented in stainless steel tanks. The remainder of the wine was fermented with its own indigenous yeast in French oak barrels, half in new barrels and half in second fill barrels. The wine underwent no malolactic fermentation and was left on the gross lees for 8 months. It was then lightly fined and filtered before being bottled. The wine was allowed 8 months maturation in the bottle before being released.

Wood ageing: 10 months in 46.5% new, 46.5% second fill, 1% 3rd fill barrels; 6% unwooded. The barrels were 85% French and 9% American.
