

## Elgin Vintners Shiraz 2007

Vibrant, youthful purple hues in the glass. The aromatic intensity of the nose evokes nuances of sweet cranberries and a liberal dose of white pepper, so typical of cool climate Shiraz from the Rhône Valley. Medium bodied on the palate, this Shiraz is a marriage of sweet red fruit, blackberry fruit pastilles layered with white pepper and spice. The lingering finish shows good balance between dark fruit, spiciness and subtle oaking imparted from 12 months maturation in oak.

Rootstock: 101-14 Mgt

Soil type: Tukulu and Pinedene gravelly loam

**about the harvest:** These grapes were picked at 25.5° Balling on 30 March 2007.

**in the cellar :** For the first time a small proportion of Viognier was co-fermented with the Shiraz grapes. The grapes were crushed, de-stalked and allowed 3 days cold soak. The fermentation took a total of 14 days at an average temperature of 24° C with regular 4-hourly pump overs. Malolactic fermentation commenced on the skins. This post maceration lasted 12 days. The wine was pressed, allowed to settle and finished malolactic fermentation in tank. The wine was then racked to barrel where it spent 12 months in 90% French oak and 10% American, of which 25% was new. The wine was bottled without any fining and given a filtration before being bottled on the 15th September 2008.
