

Plaisir De Merle Cabernet Sauvignon 1997

The longer period of ripening and maturation on the vines produced grapes with a high concentration of flavours, yet with soft and ripe tannins. This has made for a very drinkable wine at a young age. A fruity wine with flavours of ripe berries, chocolate and spice with delicate oak undertones. Five percent each of Merlot (for fresh fruit softness) and Shiraz (for sweetness, smokiness and softening) was blended into this wine.
