in the vineyard : Exceptional wines were made from the 2007 vintage, as the cold winter and favourable climate conditions of 2006 set the scene and winemakers keenly anticipated top quality red and white wines.

about the harvest: The Shiraz grapes were 100% hand picked in the refreshing hours of the early morning from a selection of cool vineyard sites in the Stellenbosch region.

in the cellar : Matured for 12 months in French and American oak. Fermentation took place in cooler temperatures, around 26° C.
