

## Pongrácz Desiderius Brut 2001

Desiderius Pongrácz, the charismatic signature Méthode Cap Classique, is so delightfully elegant, it has been lauded a sparkling wine to rival French Champagne. A symphony of Chardonnay and Pinot Noir, its grace and exceptional character is a fitting testament to the visionary nobleman who inspired it. This vintage Brut Cap Classique has rich complexity with a classic yeast character from the slow maturation on the lease and a wonderful creamy, nutty quality with a long, lingering palate.
