winemaker : Abraham de Villiers

wine of origin : Western Cape

analysis : alc : 12.5 % vol rs : 6.0 g/l

type : White **style :** Dry

pack : Bottle **closure :** Screwcap

about the harvest: The grapes are hand picked at full maturity.

in the cellar : The grapes undergo traditional vinification in stainless steel tanks. Pneumatic pressing in a vacuum ensures that the grapes are pressed slowly and gently. The temperature is maintained at around 19°C during fermentation. The wine is then aged on its fine lees for 3 months and then bottled.
