

Waverley Hills Cabernet Sauvignon 2009

NO ADDED SULPHITES

This organic wine has a ruby edge with a deep garnet red centre. On the nose, vanilla, red berries, spices, honey and sweet black cherries come through strongly. This wine is forward on the nose and complex for its vintage. On the palate, delicious vanilla and lots of fruit follow through with good balance and soft ripe tannins.

variety : Cabernet Sauvignon | 100% Cabernet Sauvignon
