

Saint Anna NV

A deliciously rich and fruity natural sweet white blend, St Anna is glimmering gold packed with ripe tropical fruit fragrances and flavours and attractive floral and spice nuances. Full sweetness is well balanced by a pleasing crisp finish. Gentle alcohol makes this wine very approachable and easy drinking.

The absolutely approachable nature of this wine makes it popular with novice palates and even non-wine drinkers. Delicious served iced cold on its own, or as a perfect foil for spicy dishes such as Indian curries, spicy Thai food, and peri-peri chicken. Also great with Barbeque burgers or sticky spare ribs.
