Muratie Ansela van de Caab 2007

On the nose, typical Cabernet Franc flavours come through with lovely black fruit from the Merlot component. The Cabernet Sauvignon gives the wine a nice backbone and the nose follows through elegantly on the palate.

The palate is very concentrated with an abundance of flavours varying from intense fruit flavours to cigar boxes.

The flavours and tannins are meticulously woven together to form a totally balanced wine that lingers on in your mouth long after the last drop is savoured.

This wine, with its velvety tannins will go great with red meat or any savoury dishes.
