

Anthonij Rupert Nemesia 2006

The first release of our White Blend is a rich, spicy, smoky wine with a complex array of fruit aromas ranging from lemon and litchi to violets and perfume. The wine shows layers of ripe white fruits on the palate and an intensity and depth that will benefit from decanting before enjoying it.

variety : n/a | Chenin blanc, Chardonnay, Viognier

winery : Anthonij Rupert Wyne

winemaker : Neil Patterson

wine of origin : Western Cape

analysis : alc : 13.5 % vol pH : 3.3

type : White **style :** Dry **body :** Full **wooded**

pack : Bottle **closure :** Cork

88 points, Wine Spectator

in the vineyard : The grapes for this wine are sourced from various terroirs of the Western Cape - from the minerally focused wines of the small, sparse Paardeberg bush vines to the intense and concentrated wines of our vineyards in the mountains around Villiersdorp. Chenin, Chardonnay and Viognier grapes were sourced from very different soils in Swartland, Darling and L'Ormarins.
