

Darling Cellars "Bush Vine" Sauvignon Blanc 2010

Green fig and passion fruit on the nose with tropical fruit and guava flavours in the mouth. On the taste the wine is round with a crisp finish which makes this a good food wine but also easy drinkable.

Vineyard type: Bush Vine, no irrigation

The recent demarcation of the Darling district has led to a focus at Darling Cellars on wines which are terroir and varietal specific. The cool and temperate West Coast climate lends itself to a different micro- and mesoclimate which, along with the different types of soil, lead to unique grapes, which we guide into even more unique wines. Having 99% of all vineyards dry land and almost the same percentage as bush vine, this is as close to what nature intended for grapes to be as one can get.

DC is a wine range of straight varietals where the focus is on fruit driven, varietal true, value for money wines.
