

KWV Classic Collection Cabernet Sauvignon Merlot 2009

A soft, easy, medium-bodied wine that delivers fresh berry flavours, plum, cherry and spice. The abundance of fruit is complemented by hints of tasty oak and a touch of cloves.

Enjoy on its own or with red meat, chicken, pasta and pizza dishes.

in the vineyard : Cool temperate conditions during the growing season resulted in small, concentrated berries. Veraison was even, therefore ensuring ripening of grapes. The period was characterised by low disease incidence. During harvest, the cooler than average summer temperatures resulted in an excellent balance between sugar and acid. Lower yields deliver a well balanced wine that offers intense fruit flavours.

ABOUT THE AREA

South Africa's vineyards are mostly situated in the Western Cape near the coast. This is the southernmost region of the African continent, and has a Mediterranean type climate and diverse soils perfectly suited to quality grape production.

about the harvest:

Grapes were harvested in February.
