

## Eikendal Merlot 2007

The wine has an attractive nose that reminds one of violets, plums, black berries, cherries and peppery spices. On the palate the wine is full and rounded, with soft tannins and a rich taste of black berries and plums. The elegant finish is long and pleasant.

Enjoy with Beef Carpaccio, lasagne or lamb burgers with beetroot relish.

**about the harvest:** The 2007 vintage is characterised by the excellent colour and fruit intensity, as well as rolling heat waves. The red wines from Stellenbosch are no exception, with small concentrated berries in the vineyards that ripened to perfection, resulting in wines with great finesse.
