

Flamingo Bay Chenin Blanc / Sauvignon Blanc 2009

A great guava explosion on the nose introduces this wine to your senses. Some grassy flavours from Sauvignon Blanc leave the taste buds longing for more with a zesty lime, rather than a tropical finish. Enjoy next to the pool, with a light brunch, or as a nice sun downer.

in the vineyard : The recent demarcation of the darling district has led to a focus at Darling Cellars on wines which are terroir and varietal specific. The cool and temperate West coast climate lends itself to a different micro- and mesoclimate which, along with the different types of soil, lead to unique grapes, which we guide into even more unique wines.
