

Golden Kaan Cabernet Sauvignon 2009

This ruby red wine has fresh cassis, raspberry and blackberry fruit aromas. The wine is juicy and soft on the palate with hints of cedar from the subtle maturation, and a lingering, smooth aftertaste.

Enjoy on its own or with meat casseroles and stews.

variety : Cabernet Sauvignon | 100% Cabernet Sauvignon

winery : Golden Kaan

winemaker : Sterik de Wet

wine of origin : Western Cape

analysis : alc : 14.02 % vol rs : 4.80 g/l pH : 3.52 ta : 5.92 g/l

type : Red **style :** Dry **wooded**

pack : Bottle **closure :** Cork

ageing : Cellaring Potential: Enjoy now or for up to 2 years from vintage.

in the vineyard : About The Area

South Africa's vineyards are mostly situated in the Western Cape near the coast. This is the southernmost region of the African continent, and has a Mediterranean type climate and diverse soils perfectly suited to quality grape production.

Vintage Conditions

Cool temperate conditions during the growing season resulted in small, concentrated berries. Veraison was even, therefore ensuring even ripening of grapes. The period was characterised by low disease incidence. During harvest, the cooler than average summer temperatures resulted in an excellent balance between sugar and acid. Lower yields deliver a well balanced wine that offers intense fruit flavours.

in the cellar : Maturation: 2 - 4 months maturation

Total Production L 250 000 litres.
