

Darling Cellars "Quercus Gold" Chardonnay

Citrus, butter and some smokyness are the flavours you'll find on this lightly wooded Chardonnay. A clean, soft mouth feel with pear on the palate and a well balanced aftertaste, makes this the perfect wine with food.

The recent demarcation of the Darling district has led to a focus at Darling Cellars on wines which are terroir and varietal specific. The cool and temperate West Coast climate lends itself to a different micro- and mesoclimate which, along with the different types of soil, lead to unique grapes, which we guide into even more unique wines. Having 99% of all vineyards dry land and almost the same percentage as bush vine, this is as close to what nature intended for grapes to be as one can get.

DC is a wine range of straight varietals where the focus is on fruit driven, varietal true, value for money wines.
