in the vineyard : Sourced from various vineyards in the Agter-Paarl region. Mostly un-irrigated, older (10 - 35 yr old), bush-vine (un-trellised) vineyards with low yields of 6.5 tons/ha.

about the harvest: Ideal ripening conditions started the 2010 season, with cool temperatures prevailing. Strong winds resulted in some crop loss, but increased concentration of flavours in remaining fruit. Good winter rains in 2009 kept vineyards healthy throughout summer. Overall quality of grapes looks very good indeed.
