pack : Bottle **size :** 0 **closure :** Screwcap

Fresh, fun and funky, our cheeky Meerkat Range offers you the opportunity to enjoy wine of discernable quality at an affordable price. Only the finest grapes are hand selected and no expense is spared on the processing of the fruit. Freshness is paramount and the wine is released early to ensure superior crispness. Vintage and region specific our wines express the terroir of our farm.

in the cellar : As always all our grapes are bunch selected in the vineyard. They are hand picked and chilled as whole bunches before being gently destemmed, crushed and pressed.

Dry ice and ascorbic acid is used to protect delicate fruit aromas from degradation by oxygen. Once settled with pectolytic enzymes. The clean juice is racked clear of the lees and the wine fermented cold between 10° - 12° C. These low fermentation temperatures capture more of the fruity aromas enhanced by the yeast and help preserve the freshness of the wine.

The wine is cold stabilised, filtered and bottled on site. Since all grapes come from our farm we can truly say that the wine is grown, made and bottled at Welbedacht.
