in the vineyard : To his friends and family he was 'Pod', but to the Cape Winelands he was Bernard Podlashuk, the maverick winemaker. Never quite satisfied to be just ordinary, he is recognized for his daring vision, sheer audacity and unabated drive that helped place South African wine on the map. The legend of Bernard's tenacity and innovative flair lives on through The Bernard Series, Bellingham's premium range of extraordinary wines.

Vineyard Practice

The grapes used to make this Pinotage come from a single vineyard block of 20 year old bush vines, grown weathered granite soil in Darling.

about the harvest: Grapes were hand-picked and harvested at 25 degrees Balling with an average yield of 4 tons per hectare.

in the cellar : Bunch selection in the vineyard followed by berry sorting in the cellar. Grapes were fermented in open French oak barrels with daily punch downs. After malolactic fermentation in barrel, 50% of the wine was matured in new French oak and 50% in second fill barrels for a period of 14 months.
